

Belarusian State University

**Education, research, innovations,
international cooperation**

BSU today

**BSU is the leading university
in the national system of higher education
of the Republic of Belarus.
Founded on October 30, 1921**

**Certified for standards
ISO 9001**

INTERNATIONAL RANKINGS

BSU is among 3% of the best universities of the world

According to Webometrics BSU takes

612 place in the World

**Webometrics Ranking
of World Universities**

**In QS World University Ranking
BSU is in Top-500**

INTERFAX ranking: BSU takes **the 2nd place** among the universities of CIS, Lithuania, Latvia, Estonia, Georgia

BSU complex

- 26 faculties and educational institutes
- 3 research stations
- 3 museums
- 4 research institutes
- 45 research laboratories
- 22 research centers
- 10 unitary enterprises

FACILITIES

- **More than 100 buildings**
- **3 campuses**
- **8 dormitories**
- **4 media classrooms**
- **University Network Resources**
- **Fundamental library**
- **3 sport complexes with swimming pools**

HUMAN RESOURCES

Overall staff	8900
Students	53000
Academic staff	3000
Researchers	1860
Doctors of Science	420
PhD degree holders	1860

**16 academicians and
18 corresponding
members of the
National Academy of
Sciences**

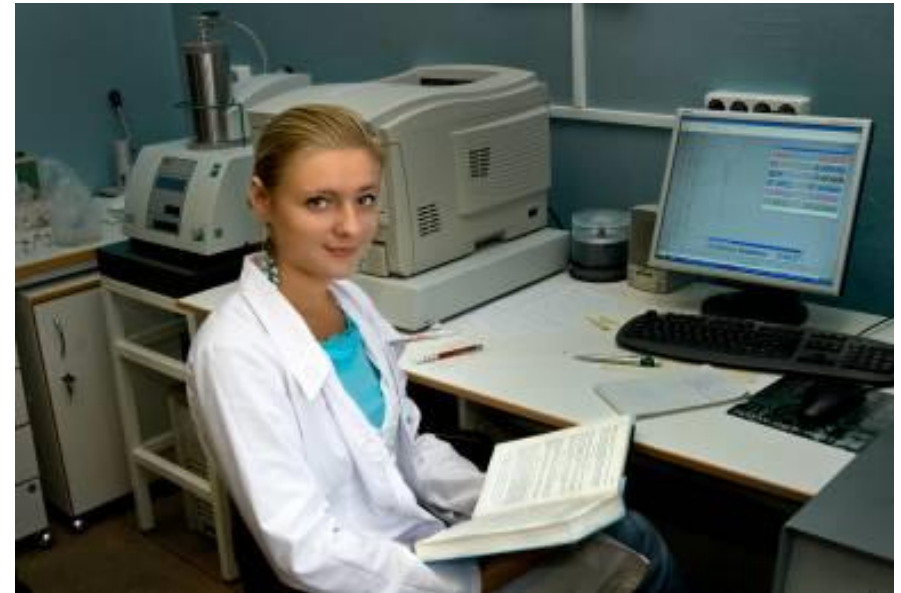

Faculties and Educational Institutes

- **Mechanics and Mathematics**
- **Applied Mathematics and Computer Science**
- **Radiophysics and Computer Technologies**
- **Physics**
- **Chemistry**
- **Biology**
- **Geography**
- **Economics**
- **Philosophy and Social Science**
- **Law**
- **International Relations**
- **Social and Cultural Communications**

- **Journalism**
- **Philology**
- **Military**
- **History**
- **Pre-University Education**

EDUCATIONAL INSTITUTIONS

- **State Institute of Management and Social Technologies**
- **School of Business and Management of Technologies**
- **Institute of Lifelong Education**
- **Institute of Theology**
- **Institute of Information and Administration Technologies**
- **Institute for retraining and qualification upgrading of judges, prosecutors and legal professionals**
- **Republican Institute of Higher Education**
- **Republican Center for Olympic Football Training**
- **Lyceum**
- **Law College**

RESEARCH INSTITUTIONS

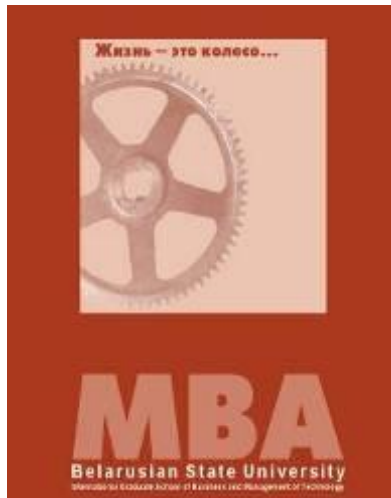

- **Research Institute of Applied Physical Problems**
- **Research Institute of Physical and Chemical Problems**
- **Research Institute of Nuclear Problems**
- **National Ozone Monitoring Research and Educational Center**
- **Research Institute of Applied Problems of Mathematics and Informatics**
- **National Research and Educational Center of Particle and High-Energy Physics**
- **Republican Center of Human Problems**

International Master programs in the School of Business and Management of Technologies

- **Master of Business Administration**
most popular **MBA** program in the world practice of professional education
- **Master of Science in Logistics**

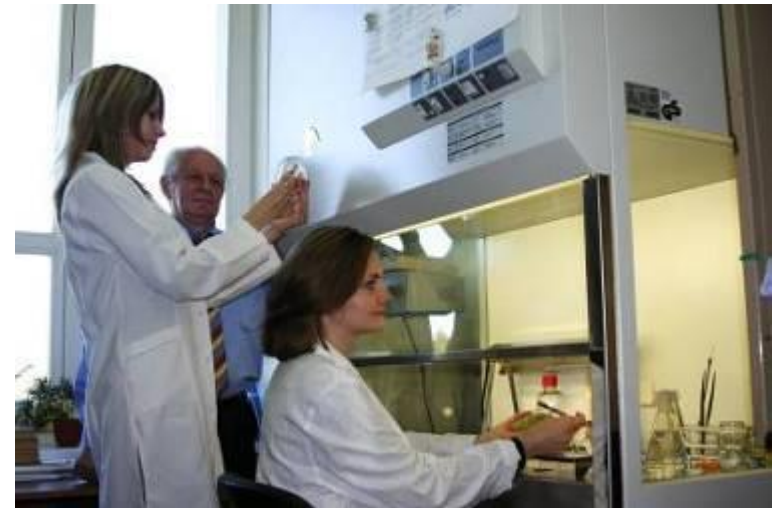

Our Partners

- USAID / Eurasia
- Swedish Institute
- Vaxjo University, Sweden
- Central Washington University, USA
- Molde University College, Norway
- Indiana University Northwest, USA
- Nebraska Lincoln University, USA

PhD and post-doc training

- **PhD students – 900, including 90 foreigners from 15 countries**
- **Post-doctoral students – 30**
- **125 PhD programs**
- **116 post-doctoral programs**

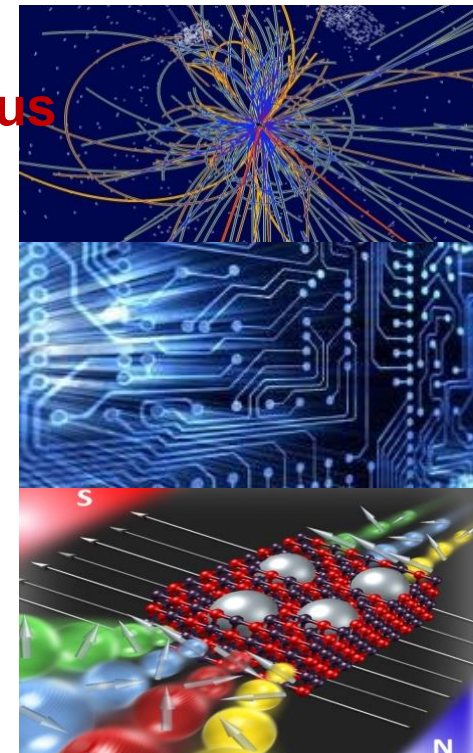

On April 20, 2011 the Belarusian State University was accredited as scientific organization

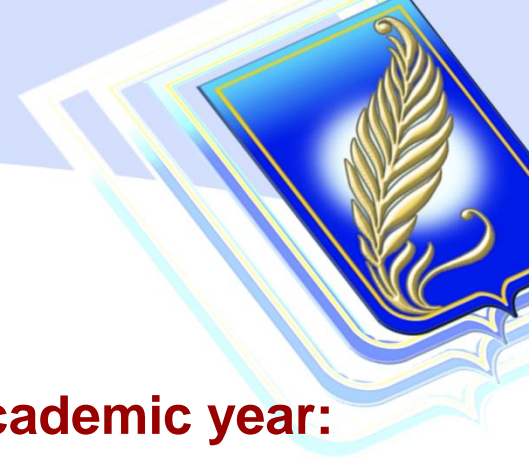

FUNDAMENTAL RESEARCHES

- Nanostructures and nanotechnologies
- Laser technologies
- Space research
- Elementary particles and high-energy physics
- Theory of differential and integral equations
- Mathematical modeling of complex systems
- New materials and technologies
- Biotechnologies and genetic engineering
- Concept of macroeconomic stabilization in Belarus
- Juvenile justice
- Development of National Atlas of Belarus

International students

In 2014/2015 academic year:

**2 620 international students from
53 countries of the world.**

Among them:

China – 31 %

Turkmenistan – 30,6 %

Russia – 15,7 %

Kazakhstan – 2,6 %

Republic of Korea – 2,5 %

International Cooperation

Membership of:

European University Association
Eurasian University Association
Baltic University
Baltic Sea Region University Network
International Ass. of Teachers of Russia
Language as a Foreign Language
CEI University Network
IAESTE
ICRANet

> 400 bilateral agreements:

CIS
Europe
Asia
Africa
North and South America

International centers at the BSU:

EU Informational Center
Council of Europe InfoPoint
Center for UN study
Confucius Institute

ACADEMIC MOBILITY

Annually:

- more than 1000 staff members are sent abroad for study and research visits
- about 700 students are sent abroad for study and participation in conferences
- about 150 incoming and 180 outgoing exchange students

Top 7 countries outgoing mobility

1. Russia
2. Germany
3. Poland
4. China
5. Czech
6. Italy
7. France

Top 7 countries incoming mobility

1. Russia
2. Germany
3. Poland
4. Ukraine
5. China
6. Lithuania
7. Italy

INTERNATIONAL PROJECTS

More than 40 international projects:

INTAS, FP7, ISTC, NATO, CEI, CERN, VISBY, SIDA, UNO, UCPD, FPB-Belarus, different EU funding instruments and etc.

Since 1994 the BSU has participated in 12 Tempus projects

Since 2007 BSU has participated in 7 ERASMUS MUNDUS projects

Approximate amount of personal grants BSU teaching staff and researchers receive is about 200000 Euro per year

Welcome to the BSU!
